TOWARDS '2020'

ABOUT THE ANNUAL EVENT

It is with great pride that Southern Cross Business Advisers presents the 2009 Business Muster, an international standard conference on a local stage. Each year we have improved the program and this year is something else!

An improved format, acclaimed presenters and highly interactive sessions will ensure a fantastic day for all.

We thoroughly enjoy bringing the event to you! Look forward to catching up for a day of inspiration, innovation, learning, networking and fun.

Sincerely,
The Principals of Southern Cross Business Advisers
Peter O'Donnell & Peter Hartmann

The Principals of Allford Jones
Tony Jones & Noel Costa

PREVIOUS GUESTS COMMENTS

“Excellent, worth every cent. Can't wait until next exciting installment!”

“Will change the way we think and the way we run our business”

“A very professional Business Muster with exceptional speakers. Very Informative and entertaining”

“Motivating and inspiring—you are doing a great job! Keep up the excellent work, I'll never forget it.”

“Absolutely loved the interactive activities they make such a difference”

PRESENTERS

Mark McKeon

Former Fitness & Team Building Coach
AFL - Collingwood

Mark is one of Australia's leading work/life balance & team cohesion advocates. His first book 'Every Day Counts', was the first book ever to be endorsed by the Australian Governments Health Promotion 'Active Australia'. With a number of published books, position as consulting editor to 'Ultra Fit' magazine, 14 years experience in coaching with Collingwood, Mark's range of experience offers you the opportunity to learn a variety of lifestyle, team building and leadership knowledge from a well travelled and experienced facilitator.

Fergal Coleman

Director of Bua Consulting
www.buaconsulting.com

Fergal is the founder of Bua Consulting, a business dedicated to building successful online businesses for their clients.. Bua Consulting provides a service advising people how the latest technology can support their business, providing solutions that may include:

- website strategies
- use of intranets
- salesforce automation systems
- on-line advertising
- integrated B2B marketing models.

Fergal's focus is on using existing and proven technologies that are low cost, to achieve improved business outcomes. Using proven and established managed solution providers so the client can focus on business improvement, rather than spending on technology.
